6th International Conference on
Operations and Supply Chain Management
Bali, Indonesia
10 – 12 December 2014

CALL FOR PAPERS

We invite papers for the 6th International Conference on Operations and Supply Chain Management (OSCM). The earlier OSCM conferences were held in Bali, Indonesia (2005), Thailand (2007), Malaysia (2009), Maldives (2011), and New Delhi, India (2013). The theme is “Making the world more comfortable, sustainable, and socially responsible: the role of operations and supply chain management”.

CONFERENCE VENUE

The conference will be held in the beautiful island of Bali. Bali has been very popular for tourist and a must-visit place for those who have not and a place to return for those who have visited. Bali is a place with thousands of temples, many beautiful beaches, and rich of cultural attractions. Recently, there are a number of developments in Bali, including the above-the-sea toll roads, the new international airport, and many others. Bali is the host of many top level international meetings, including for example the APEC 2013. The conference venue is very easily accessible from the Ngurah Rai International Airport.

TOPICS OF INTEREST

We invite submissions that fall within the broad area of operations and supply chain management, including but are not limited to the following:

- Demand management
- Product design and commercialization
- Production planning and scheduling
- Quality engineering and management
- Service parts logistics and maintenance
- Product service systems
- Operations / supply chain strategy

- Operations & SCM for Asian context
- Cost analysis in operations and logistics
- Pedagogical issues in SCM
- Research methodology in SCM

**IMPORTANT DATES**

- Submission of abstract: 31 May 2014
- Notification of Acceptance: 15 June 2014
- Submission of full paper: 15 August 2014
- Acceptance of full paper: 30 September 2014
- Conference: 10 – 12 December 2014

**BEST PAPER AWARDS**

Best paper award will be given to the following categories:

- Best regular paper
- Best student paper

**POST CONFERENCE PUBLICATIONS**

Selected papers will be published in our official journal, *Operations and Supply Chain Management* ([http://journal.oscm-forum.org](http://journal.oscm-forum.org)). This journal is indexed / listed in Cabell’s Journal Directory; Index Copernicus; Journal list of Finnish Universities; Australian Business Deans Council (ABDC) Journal list; The Norwegian Publication Database "Publiseringspanaler"; and Google Scholar. Other journals will be added later.
CALL FOR PAPERS FOR SPECIAL SESSIONS

The following special sessions will be organized:

- Special session on Food and Agricultural Supply Chain
- Special session on Healthcare Supply Chain
- Special session on Supply Chain for Asian Context

SPECIAL SESSION ON FOOD AND AGRICULTURAL SUPPLY CHAIN

This special session invites paper that falls within the following categories:

- Food supply chain – Agricultural supply chain
- Food traceability – Food safety
- Risk management in food supply chain – Cold chain management
- Food security and other relevant topics.

Committee members of special session:

Per Engelseth, Molde University College, Norway
Suhaiza Zailani, University of Malaya, Malaysia
Iwan Vanany, ITS Surabaya
M. Marimin, Bogor Agricultural University, Indonesia
Dimitris Folinas, Alexadrion Technological Educational Institute of Thessaloniki

SPECIAL SESSION ON HEALTHCARE SUPPLY CHAIN

This special session invites paper that falls within the following categories:

- Supply chain integration in healthcare – Traceability in healthcare supply chain
- Risk management in healthcare supply chain – Healthcare supply chain in emerging economies – other relevant topics.

Committee members of special session:

G.V.R.K.Acharyulu, University of Hyderabad, India
Duangpun Kritchanchai, Mahidol University, Thailand
Kamrul Ahsan, Victoria University, Australia
SPECIAL SESSION ON SUPPLY CHAIN FOR ASIAN CONTEXT

This special session invites paper that falls within the following categories:

Operations and Supply Chain Management in Asia - AEC and Implication on logistics services toward AEC - Maritime logistics and transportation in SE Asia - Readiness of ASEAN countries toward AEC — other relevant topics.

Committee members of special session:

Sha'ri Mohd Yusof, Universiti Teknologi Malaysia
Thananya Wasusri, King Mongkut’s University of Technology, Thonbury, Thailand
Mahendrawathi, Sepuluh Nopember Institute of Technology (ITS), Indonesia

WORKSHOP FOR DOCTORAL AND EMERGING SCHOLARS

This workshop is dedicated for doctoral and young academics. The workshop will include such topics as:

CONFERENCE COMMITTEE

*General Chair:* Nyoman Pujawan, ITS - Indonesia

*General Co-Chair:* Kamrul Ahsan, Victoria University, Australia

*Program Chair:* Imam Baihaqi, ITS – Indonesia

*Program Chair:* Duangpun Kritchanai, Mahidol University, Thailand

*Arrangement Chair:* Iwan Vanany, ITS – Indonesia

*Arrangement Chair:* Dyah Santhi Dewi, ITS – Indonesia

*Conference Secretary:* Naning Wessiani, ITS – Indonesia

*Conference Secretary:* Dewanti Anggrahini, ITS - Indonesia

**International Committee:**

G.V.R.K. Acharyulu, University of Hyderabad, India

The Jin Ai, University of Atmajaya, Jogjakarta, Indonesia

Andi Cakravastia, Bandung Institute of Technology, Indonesia

Ajay Das, Baruch College, The City University of New York, USA

Per Engelseth, Molde University College, Norway

Javad Feizabadi, Malaysia Institute for Supply Chain Innovation, Malaysia

Dimitris Folinas, Aleadrion Technological Educational Institute of Thessaloniki, Greece

Takashi Irohara, Sophia University, Japan

Sakun Boon-Itt, Thammasat University, Thailand

Kap Hwan Kim, Pusan National University, Korea

Reza Lashkari, University of Windsor, Canada

M. Marimin, Bogor Agricultural University, Indonesia

Bimaraya Metri, International Management Institute - New Delhi, India

Daniel Prajogo, Monash University, Australia

Ahmad Rusdiansyah, Sepuluh Nopember Institute of Technology (ITS), Indonesia

Sunanda Sangwan, Shantau University Business School, China

Budi Santosa, Sepuluh Nopember Institute of Technology (ITS), Indonesia

Togar Simatupang, Bandung Institute of Technology, Indonesia

Himanshu Shee, Victoria University, Australia
Harm-Jan Steenhuis, Eastern Washington University, USA
Katsuhiko Takahashi, Hiroshima University, Japan
Armagan Tarim, Hacettepe University, Turkey
Benny Tjahjono, Cranfield University, UK
Kun-Jeng Wang, National Taiwan University of Science and Technology, Taiwan
Hui Ming Wee, Chung Yuan Christian University, Taiwan
Gede Agus Widyadana, Petra Christian University, Indonesia
Joel Wisner, University of Nevada, Las Vegas, USA
Hartanto Wong, Aarhus University, Denmark
Sha’ri Mohd Yusof, Universiti Teknologi Malaysia
Yahaya Yusuf, University of Central Lancashire, UK
Suhaiza Zailani, University of Malaya, Malaysia
